Expectations:

Being friendly and approachable is a must! Crew volunteers teach concert-goers about sorting their recyclable and compostable materials and will assist them in using appropriate bins; plus help keep the Marymoor concert venue free of litter.

If you have the first shift; you must wait until the gates open to "save your spot" in the seating area.

Volunteers drinking alcohol or using marijuana during their shift or arriving 'under the influence' for their shift, will be asked to leave and can no longer volunteer for future concerts.

Concerts are held rain or shine. Volunteers should dress appropriately for the weather and site conditions.

Volunteers work in a team and are required to do some lifting and pushing of yard carts. Volunteers stand throughout a shift.

King County Parks is not responsible for lost or stolen valuables. Volunteers will be under the same rules as other concert attendees' for restricted items.

I am able to volunteer at the following concerts:

In the event your desired time slot has been filled for a concert: please be clear if you are or, are not able to do a different shift that same night.
